The Undersigned further acknowledges that no guarantees have been made except reasonable precautions against injury, escape or illness.

All pets admitted must be free from internal and external parasites, be current on all required vaccinations, and be in good health.

Any pet found to have internal or external parasites will be treated at the owner's expense.

Any pet past due on vaccines will be updated for the required vaccines in the veterinary hospital as soon as possible. The pet will be a kennel isolation boarder for the next seven (7) days. The owner will be responsible for all veterinary and specialized boarding fees.

If any pet is deemed to be in compromised health, we will call the emergency contact and recommend authorization for the pet to be seen by one of our veterinarians, additional fees will apply. We reserve the right to decline boarding for a pet that does not appear to be in good health.

\_\_\_\_\_ If the pet becomes ill or if the state of the pet's health otherwise requires professional attention and owners cannot be contacted via emergency contact telephone numbers or telephone numbers on file, N.A.V.B.R. in its sole discretion, may engage the services of a veterinarian, administer medication or give other required attention to the pet and the expenses thereof shall be paid by the owner.

If the above named pet is not discharged within seven (7) days of the scheduled release date and no payment has been made by the owner, N.A.V.B.R. shall assume the pet as abandoned and the pet will become the property of N.A.V.B.R - Owner is still responsible for paying the bill acquired while boarding. If Payment is not made; collection proceedings will occur.

\_\_\_\_\_ Noah's Ark Veterinary and Boarding Resort is not responsible for lost or damaged personal items brought in for your pet. By signing you understand that you are leaving these items at our own risk and confirm that these items are indeed expendable.

Personal Belongings: \_\_\_\_\_

\_\_\_\_\_ I acknowledge that the Bordetella vaccine does not guarantee that my pet(s) will not contract "kennel cough". "Kennel Cough" is an infectious bronchitis of dogs characterized by a hacking "goose honk" cough. There are any viral and bacterial causes, not just Bordetella, and it can easily be transmitted via aerosolization. I understand that NAVBR abides by a strict sanitary protocol that includes adequate air ventilation with regular cleaning and disinfecting of the entire facility. Dogs kept in close proximity and in higher stress environments are at an increased risk of contracting kennel cough. Often it is self-limiting, but it can progress and become more problematic especially if there are co-infections (multiple offending organisms involved) or if a pet has other medical issues. NAVBR is not responsible for veterinary invoices pertaining to the contraction of "kennel cough" prior to, during or after this boarding stay.

\_\_\_\_\_ All animals picked-up after 11:00am will be charged for a 1/2 day of boarding (Sunday is an automatic 1/2 Day) I acknowledge that Sunday hours are 3pm - 7:30pm

\_\_\_\_\_ I give consent for NAVBR staff to photograph my pet(s) and use them at our own will. Including but not limited to social networking and advertising of Noah's Ark.

The undersigned hereby warrants that he/she is the owner or authorized agent for the above pet(s) and does hereby request, consent, and authorize Noah's Ark Veterinary and Boarding Resort to board, care for, and treat said pet. It is also agreed that pet owners are responsible for all veterinary fees, boarding fees, and charges for extra services which must be paid in full before the pet can be discharged. All fees must be paid at the time of discharge. We may require a copy of a driver's license and/or photo identification card. By signing I acknowledge that I have read, understood, and agree with all my responsibilities as the owner or authorized agent of above pet(s).
