

Are you a fun, charismatic veterinarian who is looking to work with a lively team of animal lovers? Noah's Ark Veterinary & Boarding Resort is a privately owned, 3-4 doctor practice nestled between Baltimore and Annapolis in Millersville, MD. As a member of the community since 1998, we have a well-established clientele and have designed programs to benefit local shelters and rescues. A full or part-time veterinarian who has good communication and time management skills will fit perfectly in our spirited family.

Our 11,000-square-foot practice is home to a variety of diagnostic and therapeutic tools such as: surgical and class IV cold laser, ultrasound, doppler, tonovet, state-of-the-art anesthetic monitoring equipment, digital dental radiography, digital general radiography, electronic medical records, 5 spacious exam rooms with cats-only and client comfort options, check-out stations in each exam room, organized in-house and online pharmacy, separate surgical and dental suites, a boarding resort, daycare, and grooming.

In addition to a generous compensation package, including a \$10,000.00 signing bonus for full time, you will enjoy:

- A flexible work schedule (some Saturdays; closed Sunday; no on-call shifts)
- Generous CE allowance as well as CE opportunities for technicians
- Several fear free certified staff members
- VIN membership
- License reimbursement
- Paid time off
- Employer-matched simple IRA
- Medical insurance
